Re: 237 Ocean Drive address

To: Zoning and Building Dept.
Monroe County, Fla.

This is to certify that the Post Office has no objection to the change of the street address designation of 237 Ocean Drive to 237 North Ocean Drive, Tavernier Fla. 33070. It should be noted however that any and all addresses that will be established in this street in the future will carry a North prefix so as to enable these future addresses to get delivery and to simplify the Emergency Service of Monroe County. Any new deliveries established for this street and the location of the mailboxes or receptacle will be determined solely by the Post Office.

RE: Renaming Ocean Drive.

Dear Mr. Koppel,

After living at 237 Ocean Drive in the Palma Sola Subdivision for 15 years, we have finally had enough of the missed mail, missed communication with Emergency Personnel and every other scenario that comes with having two like named streets within the close proximity of one another. The other Ocean Drive is located near The Coral Shores High School, which is still in our Postal Area.

Our little 7 block long neighborhood, with four homes, would like to remedy the situation by renaming our street, North Ocean Drive.

I have included two site maps to illustrate the current picture of the neighborhood.

Please help us.

If there are any questions please call me at 305-393-2316

Sincerely,

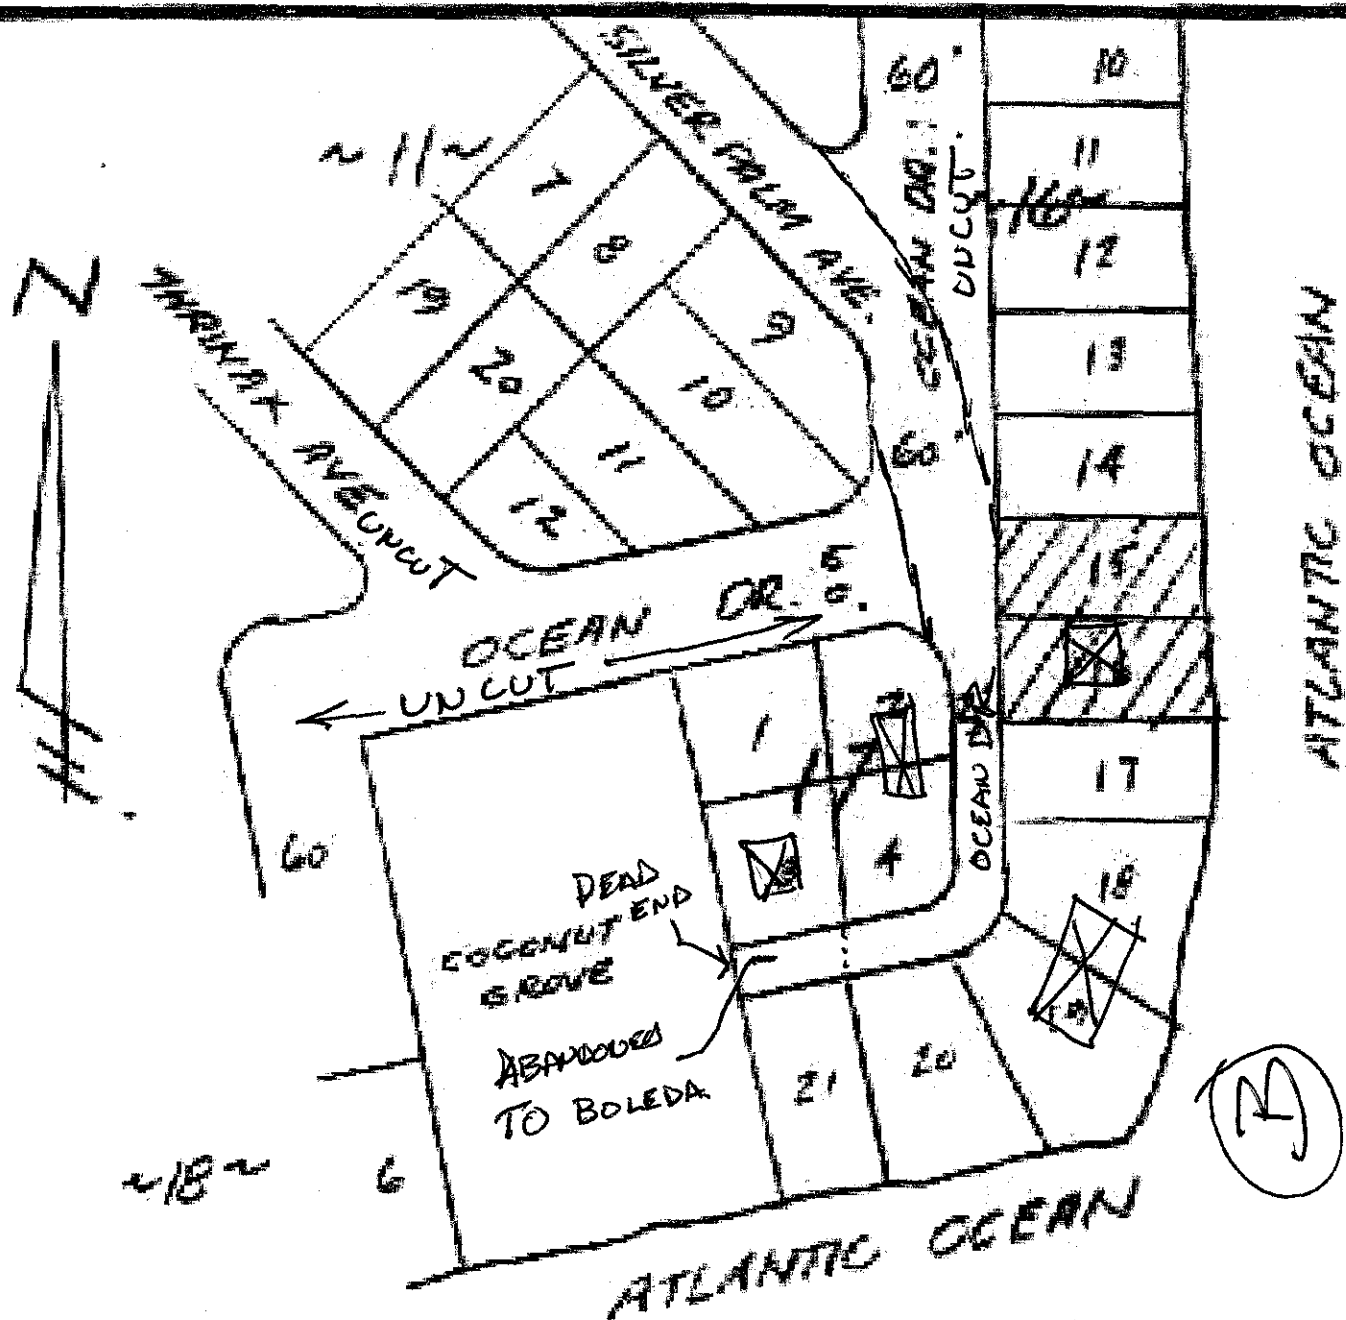

Lots 15 and 16 in Block 16 of PALMA SOLA,
according to the plat thereof, as recorded
in Plat Book 1 at Page 115 of the Public Records
of Monroe County, Florida
